### Abc First Aid Guide 6

ABC in first aid is a list of important things that first aiders must check when dealing with a patient, including airways, breathing and circulation. ABC is part of what St Johns Ambulance calls DR ABC, a general set of first aid steps. The 'DR' part makes sure that the person is safe from further harm, but if not, ABC is used to diagnose ...

1.4 million seek jobless aid, first increase since March. July 23, 2020 8:44 am. AP, (AP Photo/Rogelio V. Solis)

### 1.4 million seek jobless aid, first increase since March ...

Prior to assisting any casualty, a First Aider must ask for and receive permission from the casualty before giving first aid. This can be a simple verbal ok from the casualty, or even just a nod of the head. First Aiders must remember that people have the right to refuse assistance. If the casualty is unconscious, then consent is implied.
