Anthropological Locations: Boundaries and Grounds of a ...

Anthropological Locations: Boundaries and Grounds of a Field Science. Akhil Gupta, James Ferguson. Among the social sciences, anthropology relies most fundamentally on "fieldwork"--the long-term immersion in another way of life as the basis for knowledge. In an era when anthropologists are studying topics that resist geographical localization, this book initiates a long-overdue discussion of the political and epistemological implications of the disciplinary commitment to fieldwork. These ...
