Most free books on Google Play are new titles that the author has self-published via the platform, and some classics are conspicuous by their absence; there's no free edition of Shakespeare's complete works, for example.

Astra Book

Astra is a beautiful, beautiful book, featuring an intriguing post-apocalyptic world, and focused on its eponymous main character. Astra is just seven years old when Foyle invites us into her life and her utopian world, where the people live in harmony with Gaia, the earth mother, and work toward healing the earth after all the damage caused by war, neglect, and ignorance.

Astra (The Gaia Chronicles, #1) by Naomi Foyle

An excellent reference book on the famous Astra pistols. WWII collectors will really like the information presented on WWII pistols ordered and delivered to the German Armed Forces during the War. Well written and the period photographs are excellent.
