Baby Boom Lesson Plans & Worksheets Reviewed by Teachers

Baby boomers are the demographic cohort following the Silent Generation and preceding Generation X. The generation is generally defined as people born from 1946 and 1964, during the post-World War II baby boom. The baby boom has been described variously as a "shockwave" and as "the pig in the python"; in particular, 76 million Americans were born during this timeframe. By this definition and U.S. Census data, there are currently 71.6 million boomers in the United States as of 2019. In the ...
