### Bulldog security

I drive a manual 1997 Mitsubishi Eclipse and installed a Bulldog remote starter in it 3 years ago. The install took all day but it has worked as advertised since I put it in. The only problem is that the range is not the best as I simply have a 10 gauge wire running from the switched switch to the back of the car.

I replaced the battery in the original remote (a Bulldog RS82P starter was installed in my 2004 Ford Ranger in 2006) after it failed to start the truck at the beginning of this winter season. When the START button was pressed, the red light on the remote would light up, however, the truck still wouldn't start.
