Designed In The Ussr 19501989

"While global leaders attempt to reheat the Cold War, a new book shines a light on everyday life in the Union of Soviet Socialist Republics. Designed in the USSR: 1950-1989 draws back the Iron Curtain to reveal the overlooked and forgotten objects that defined ordinary life under communist rule... This collection is a timely reminder that battling on the fields of innovation and creativity is far better than other forms of conflict."—

Designed in the USSR: 1950-1989 - SHOP Cooper Hewitt

Designed in the USSR: 1950-1989. Some people in the United States were shocked to discover the extent to which the Russian state attempted to influence the US 2016 presidential election via social media. For others though, Russia's soft influence over the world's political structure via its use of technology comes as no surprise. Back in the old days, the Soviet Union also tried to exert soft power in American political circles via the prevailing media of the times, as the new Phaidon ...

Designed in the USSR: 1950-1989: FROM THE COLLECTION OF ...

Another notable design that influenced the Soviets was the Vickers A1E1 Independent, a large multi-turreted heavy tank built in 1925. Its design influenced the Soviet T-35 heavy tank. The Spanish Civil War showed that tank-versus-tank engagements and tank-versus-towed antitank gun engagements would now be a major consideration. It became clear that future tanks would need to be heavily ...
