Explanatory Notes To The Harmonized

The Explanatory Notes (5 volumes in English and French) do not form an integral part of the Harmonized System Convention. However, as approved by the WCO Council, they constitute the official interpretation of the Harmonized System at the international level and are an indispensable complement to the System. The Explanatory Notes provide a commentary on the scope of each heading, giving a list of the main products included and excluded, together with technical descriptions of the goods ...
