It's worth remembering that absence of a price tag doesn't necessarily mean that the book is in the public domain; unless explicitly stated otherwise, the author will retain rights over it, including the exclusive right to distribute it. Similarly, even if copyright has expired on an original text, certain editions may still be in copyright due to editing, translation, or extra material like annotations.

**For Those I Loved By**  
For Those I Loved is a "true story" telling the life of Martin Gray. The opening scenes of the book will draw you in by creating the scene of Poland before the Germans arrived. The way he tells his story makes you feel empathy for the characters, and it is almost masterful how he creates the imagery around him.
