Fly By Midnight Lyrics.  
"I Need You More Than  
You Want Me". Maybe  
we are hopeless. And  
maybe I just noticed. I  
felt like I was always  
there for you. You're  
saying this is over.  
That all you want is  
closure. And I'm still  
trying to sell my love to  
you. It's really been  
nice to know ya.

More than is a phrasal preposition. It can be used as a substitute for over. More then is either a misspelling or a clue that you need to revise your sentence. You can remember to always choose more than since it is spelled with an A, like the word “appropriate.”
