Download Free Immunity To Change How To Overcome It And Unlock The Potential In Yourself And Your Organization Leadership For The Common Good

Immunity to Change is not so much a book about resisting change as it is a book of one's identity. The authors' claim is that the reason we are resistant to change is because change challenges one's current identity and that going through an identity crisis part of growing in leadership.

Amazon.com: Immunity to Change: How to Overcome It and ...

Adaptive change requires a shift in mindset, not just behavior. And as Kegan and Lahey explain in their book, *Immunity to Change: How to Overcome It and Unlock the Potential in Yourself and Your Organization* (Harvard Business Press, 2009), this sort of change necessarily involves a certain amount of self-inquiry and self-exploration. Their systematic method for accomplishing that work, and for overcoming our inherent resistance to it, has now been successfully used by a number of

How to Overcome Immunity to Change - Experience Life

Two Harvard Graduate School of Education faculty members — Professor Robert Kegan and Lecturer Lisa Lahey — have built a body of work aimed at helping adult learners and leaders overcome this innate human aversion to change, a phenomenon they call Immunity to Change. With their Immunity to Change method, Robert Kegan and Lisa Lahey have guided a generation of adult leaders to overcome barriers, find new solutions, and embrace the change they want to make.

(PDF) Immunity to change: how to overcome it and unlock ...

Creating an Immunity to Change Map is a simple way to bring to light the personal barriers to change. It starts by outlining the client's commitment to an improvement goal. Then it sketches out the things that he or she is either doing or not doing that prevent progress towards the achievement goal.

What is Immunity to Change? | Next Step Partners

Kegan and Lahey define immunity to change as a "hidden commitment", with an underlying root cause, that competes and conflicts with a stated commitment to change. It these hidden commitments that cause people to not change and to fail to realise their best intentions.

Minds at Work - Change Leadership Coaching for Immunity to ...

What is Immunity to Change? Immunity is when there's a part of us that wants to move in one direction e.g. towards an important goal and at the exact same time there is a part of us that is unconsciously driven to actually accomplish a goal that is in tension with the very important goal we want to accomplish. If you don't see your IMMUNITY you will continue to be stuck. So what you have is a version of a foot on the gas pedal and a foot on the brake at the exact same time.
