Kids also might have fun using their nature journal to make a field guide. It's a great way for kids to memorize and share the names of plants and animals, simply by writing them down as they learn them and including a drawing for the ID. They can even include a map, if appropriate.

Wildlife Projects for Kids: Making a Nature Journal ...

One of our favorite supplies over the last few years has been the nature journal. It's served several purposes — the kids don't hike far before wanting a break anyway, so this gives them something to do. They observe things around them they might not have noticed (and often, that I didn't notice, either. I love that part).
