The Worship Band Series features a long list of popular praise and worship songs arranged for praise band or church orchestra. The series was developed and currently edited by PraiseCharts veteran arranger, Dan Galbraith. These arrangements are generally geared towards a contemporary "rhythm and horns" praise band sound, but will focus on whatever section of the orchestra is appropriate for the artist's track.

### 101 Greatest Praise and Worship Songs - Various Artists ...

It is indeed a challenge for a praise and worship leader to find a balance between a hip music while looking for an anointed song. It is easy to find a fast song. But to find a song with a catchy beat, tune, at the same time good theology, singable by the congregation AND a special "umph" of God is hard to find.

The praise & worship genre has so many pitfalls and nothing of substance to offer that isn't already found in the historic liturgy or hymnody, it begs the question: why deviate from it? There seems to be a parallel between the dangers of the praise band (even when rightly used) and the Reformation.

Contemporary worship music (CWM), also known as praise and worship music, is a defined genre of Christian music used in contemporary worship. It has developed over the past 60 years and is stylistically similar to pop music. The songs are frequently referred to as "praise songs" or "worship songs" and are typically led by a "worship band" or "praise team", with either a guitarist or pianist leading.
