Suzuki Swift Sport delivers punchier performance. In a world where the Ford Fiesta ST has the market for small hot hatches sewn up, it pays to offer something different, and across its generations the Swift Sport has always done just that. Whether with the 1.6-litre non-turbocharged engine of the last car or the turbocharged unit in the middle that this hybrid model replaces, this Suzuki has always stood for lightness and simplicity - although both of those points have been eroded with each ...
