From Babel to Babel Fish . There have been a number of books written recently about the history of translation.What certainly is true is that as we move from the age of the tower of Babel (where the Bible tells us different languages were first introduced) to the age of Babel Fish (and other instant translation services) there is a growing need for translation.

The history of translation | Language Realm

This is a list of literary works (including novels, plays, series, collections of poems or short stories, and essays and other forms of literary non-fiction) sorted by the number of languages they have been translated into.

List of literary works by number of translations - Wikipedia

So for starters, when translating a book your first step is to find a translator who is native, knows about book publishing or is an author himself. then once the translation is done, even if it is indeed a good translation, you still need to proofread it, edit it and adapt the style to your particular niche/ genre.
