The Irony Of American History

Forged during the tumultuous but triumphant postwar years when America came of age as a world power, The Irony of American History is more relevant now than ever before. Cited by politicians as diverse as Hillary Clinton and John McCain, Niebuhr's masterpiece on the incongruity between personal ideals and political reality is both an indictment of American moral complacency and a warning against the arrogance of virtue.

Amazon.com: The Irony of American History (9780226583990 ...

The ironic element in American history can be overcome, in short, only if American idealism comes to terms with the limits of all human striving, the fragmentativeness of all human wisdom, the precariousness of all historic configurations of power, and the mixture of good and evil in all human virtue.

The Irony of American History by Reinhold Niebuhr

His book The Irony of American History (1952), while justifying American anti-Communist policies, gave much attention to criticism of American messianism and the American tendency to engage in self-righteous crusades. He always attacked American claims to special virtue. Early he favoured the recognition by the United States....

The Irony of American History

Our age is involved in irony because so many dreams of our nation have been so cruelly refuted by history. Our dreams of a pure virtue are dissolved in a situation in which it is possible to exercise the virtue of responsibility toward a community of nations only by courting the prospective guilt of the atomic bomb.

The Irony of American History by Reinhold Niebuhr, an excerpt

Reinhold Niebuhr, The Irony of American History (1952) Credit to Joshua Boucher, Baylor University. In the very last chapter of Reinhold Niebuhr's influential (if oft-forgotten) work, The Irony of American History, Niebuhr asks his readers whether or not objective patterns can be discerned in the flow of history.

Reinhold Niebuhr, The Irony of American History (1952)

Title: The Irony of American History Created Date: 2/4/2003 1:29:21 PM

The Irony of American History - SABDA.org

In 1952, Niebuhr published The Irony of American History, in which he interpreted the meaning of the United States' past. Niebuhr questioned whether a humane, "ironical" interpretation of American history was credible on its own merits, or only in the context of a Christian view of history.

Reinhold Niebuhr - Wikipedia

His book The Irony of American History (1952), while justifying American anti-Communist policies, gave much attention to criticism of American messianism and the American tendency to engage in self-righteous crusades. He always attacked American claims to special virtue.
